

**Trianon Music Group Diamond Anniversary 2019**

**"Buy-a-Bar"**

To celebrate 60 years of music-making, Trianon has commissioned some original works for the Group. We are delighted to announce that during 2019 we will perform new music by **Ronald Corp, Matthew Curtis, Carl Davis, Andrew Burke and Stephen Hogger.**

In order to include as many people as possible in this commemorative adventure, we are launching a 'Buy-a-Bar' scheme.

Anyone can contribute to this venture and your name will be recorded in the list of supporters. If you would prefer to remain anonymous, simply leave blank spaces on the donation form below.

Each single bar costs £5 and can be bought in as many multiples as you please!

We hope you will join us in this exciting project,

Janet Dann  
(Diamond '19 co-ordinator)
